- You already have a civil court judgment involving this claim.

Filing A Common Construction Wage Claim

IF THE COMPLAINT FORM IS NOT COMPLETED AS INDICATED IN THESE INSTRUCTIONS, IT MAY BE RETURNED TO YOU.

Read all questions on the complaint form carefully before answering. Fill out the form completely, legibly, and accurately, providing as much information as possible. If you intend to file a complaint against more than one business, use a **separate** complaint form for each business against whom you wish to file a complaint. In order for your claim to be processed, the following information must be provided:

- Name and address of the person filing this complaint.
- Telephone number where you may be reached during the day. If your address or telephone number changes, it is your responsibility to notify the Indiana Department of Labor immediately.
- Name and address of the contractor alleged to have committed the violation.
- Project name and description, location where the work was performed, and construction dates.

When the Wage & Hour Division receives your complaint form the following steps are taken:

- 1. The claim form is given to the audit coordinator to review. The coordinator determines if all of the required information is on the claim form and whether audit of the claim is within the division's authority.
- 2. An audit file is opened and a notification letter sent to the employer requesting a written response within 15 working days. The letter requests documentation regarding the claim that has been filed and/or a check for any portion of the claim not disputed. Any monies received will be forwarded to you. You do not need to contact the Wage & Hour Division to receive payment.
- 3. All audits are performed on a first-in, first-out basis. You will not be contacted by the auditor assigned to your complaint until the audit comes up in rotation on his/her caseload. The time required to complete an audit depends on the cooperation of the parties and the complexity of the project.

Your complaint can be processed more efficiently if you provide: (1) copies of pay stubs indicating your rate of pay, and (2) a copy of the public wage scale for this project.

Please Note: If you are filing this complaint against your current employer, Indiana law may <u>not protect you</u> from adverse employment action.
